# ISMB Tutorial 8 Wrap-up
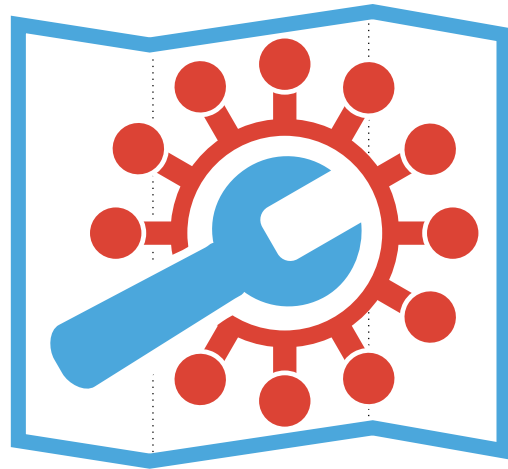

Lauren J. Dupuis, PhD
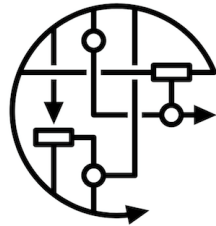

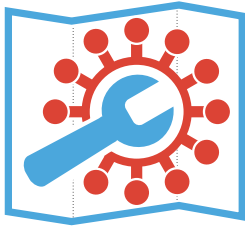

ISMB/ECCB 2021 - Tutorial 8
23 July 2021

# Day 1

Day 2

Application

Day 2

Application

https://covid-19.sciensano.be/nl

Workflow 1

- Differential gene expression analysis
- Pathway enrichment analysis
- Pathway visualization

Workflow 2

- Protein-protein interaction network of differentially expressed genes
- Extension with COVID19 pathway information
- Data visualization

Workflow 3

- Pathway crosstalk analysis (topological)
- Protein tissue expression visualization
- Automation and enhanced graphics

Please give us your feedback!
